

January 14, 2010

Important information regarding purchasing school uniforms:

Due to the unexpected closing of our school uniform vendor (Threadsmith.com), BArT is currently without an online store at which families can purchase school uniforms. While we take the next couple of months to find a new vendor, we will have a limited quantity of sizes and colors of polo shirts and crewneck sweatshirts for your purchase at the school.

Our former vendor has assured us that they will be producing and shipping all orders placed before 10 a.m. January 7, 2010. If anyone has any outstanding orders or concerns with Threadsmith.com, please contact Teresa Schaffer by calling 743-7311, x227 or email her at teresa.schaffer@bartcharter.org.

We are very disappointed over their closing (as well as the lack of notice) but are confident we will soon have a new online store open for everyone's convenience.
